

## Dear Member,

Even through the economic situation, we remain a strong and vibrant association! This achievement was brought about through the dedication and support of members like you, and I thank you.

It is our Association that protects the industry from which we derive our livelihood, and we look forward to influencing officials as we build more relationships at local, state, and national levels.

Being a non-profit association, we depend heavily upon your participation and ask for your support. Your company's bottom line may be increased and your marketing dollar maximized by selecting sponsorships from this brochure.

If you should have any question, suggestions or need a special sponsorship catered to your needs, call the GCHBA office, 706-322-8590, and we will be happy to assist you.

We look forward to hearing from you!

Donald Bowles  
2015 President
